## PERSONAL PROJECTS

### BillyMan- Game Page (Public Games)

Developer

June 2019 – Present

- Developed games for game jams, including:
  - Feed The Slime: 9th place (125 entries)
  - Grinding Late Night: 15th place (284 entries)
  - The Square: 45th place (345 entries)
  - Police of Time: 181st place (1781 entries)
- Created experimental games using C#, Unity, Game Maker Studio 2, and more.
- Achieved 4590+ views, 1900+ browser plays, 194 downloads, and 32 followers.

### AI Simulating Human Movements Game

Developer

March 2022 – April 2022

- Coded an AI in C# to mimick human movements and auto maneuver through the game environment.
- Integrated mechanics like grid-based spike placement, timers, and an AI spawner for strategic interaction
- Created game art in Aseprite, Photoshop, and imported music.
- YouTube video** on the project reached 12k views and 462 likes. The game received 625 views, 182 plays, and 23 downloads.

### Battery Trading Machine – Engineering and Science Contest

Developer

October 2021 – November 2022

- Addressed the issue of environmental harm caused by old batteries and developed a machine to encourage proper disposal.
- Designed a vending machine concept that trades 1 new battery for 10 used ones.
- Built hand-crafted, low-budget mechanisms to weigh batteries, and crafted the machine using foamex.

### Game Development YouTube and Discord Community

Developer

June 2019 – Present

- Produced 32 videos/tutorials on game mechanics, design, and development using Unity and C#.
- Documented game creation and provided entertainment content using Premiere Pro and Photoshop.
- Managed a Discord community of almost 100 members for viewer engagement and feedback.
- Reached 75k views and 680 subscribers on YouTube.

### Responsive Full Stack Portfolio Website | Github

Developer

December 2024 – Present

- Designed and coded a website from scratch using HTML, CSS, and JavaScript, ensuring full responsiveness across popular screen sizes.
- Used Google Apps Script and Javascript for back-end to receive contact data sent from users and auto-display on Excel.

## FREELANCE WORK/ EDITING

### Ben Ay Em The Nao – Music Video

- Edited video, including selection, cutting, color correction, and effects.
- Ensured quality and copyright compliance.
- Achieved 39k+ views on YouTube.

### Loving You Everyday – Music Video

Director, Video Editor, Script Writer, Organizer

February 2023
